1974 ALVIS RALLY

26 - 30th. AUGUST 1974 IN SOUTH AUSTRALIA

Fortunately there has been no need to change the original format of the rally as outlined in the Itinerary. However the many other details of the actual route, maps and directions, are too voluminous to be sent by post and they will be provided in a rally pack as you join the rally.

Therefore your first direction is - Please report either to me or David Lipsham in Room 32 as you arrive at the Bordertown Motel on Sunday 25th August.

Until then - Happy Alvising

The following is your deposit-paid accommodation plan, also attached is your receipt for your rally deposit. Please check them.

SUNDAY 25th. - Bordertown.

Bordertown Motel, Dukes Highway, Bordertown. S.A. 5263.

Note The Motel is nearly the last building on the R.H.S. of the Highway at the Adelaide end of the town and it is virtually on the edge of the Highway.

Room No. _____

MONDAY 26th. - Victor Harbor.

Bayview Victor Motel, Hindmarsh Rd., Victor Harbor. S.A. 5211.

Room No. _____

TUESDAY 27th and WEDNESDAY 28th. - Adelaide

Tonsley Hotel Motel, 1274 South Rd. Clovelly Park. S.A. 5042.

Room No. _____

THURSDAY 29th. - Nuriootpa.

Vineyard Motel, Angaston. S.A. 5353.

Room No. _____

FRIDAY 30th. - Berri.

Berri Hotel Motel, Riverside Dr, Berri. S.A. 5243.

Room No. _____

On behalf of The Alvis Club of S.A., I would very much like to thank you for your entry and your support for our first rally.

Plans for the rally have been virtually finalised, all accommodation has definitely been booked and so that all that remains is to check out the many small details that inevitably arise. Accordingly I would like to draw your attention to the following points.

List of Entrants. The enclosed list shows confirmed starters and there could yet be another two. It is not only an interesting and delightful array of Alvises but also a very pleasing number of believers.

Accommodation This has proved a minor problem in 2 places because of the number of entrants. However this has meant only a small rearrangement of motels, so would you please note the following changes. Victor Harbor - We are now staying at the Bayview Motel and not the City Motel. The Bayview is on the main road leading into Victor about 1 mile from the town centre and overlooks the harbour itself. Nuriootpa - We are now staying at the Vineyard Motel, Angaston, and not the Nuriootpa Hotel. The Vineyard is on the main road from Nuriootpa to Angaston about 2 miles from Nuriootpa. All tariffs mentioned will of course be a few months old when the rally starts. All along the way proprietors were loath to set a firm tariff because of the small increases that must occur, however we are sure that you will understand the problem as it happens in every sphere these days. Your individual accommodation has been listed separately and a master plan has been sent only to Norm Adams and Ron Wilson should you require further confirmation.

Lunches The cost of the planned lunches on Mon, Tues, and Wed., have been kept to a minimum and it looks as though they will be about \$1 for adults and half price for children on the Monday, and a little less on the other days. So could you please have some small change in your pockets to help the petty cash bin when I collect the money on the day. The barbecue on Friday provided by the Berri Motel will be about \$1.40 pay as you go.

Indemnity Also enclosed is an indemnity clause which we must ask you to fill in and return well before the commencement of the rally. We discussed this problem at our last meeting and we feel that it is in everybody's interest, yours and ours, that if any unfortunate incident, no matter how small should occur, then nobody connected with the rally in any way whatsoever should be placed in an embarrassing situation. It will therefore become our mutual protection against anybody who may seek to use our affiliation or association to capitalise on an unfortunate incident, a tendency which appears to have insidiously crept into our traditional, "fair play", way of life. This whole problem recently appeared after an incident during a motoring event in Adelaide, and thus we are probably hypersensitive to the situation, but the enclosed indemnity properly puts everything in its correct perspective.

To facilitate your prompt return of the form we have enclosed a stamped addressed envelope for this specific purpose. However of course if you have any other queries, or if there is anything that we can do to make your stay in S.A. more memorable, please let me know.

Looking forward to seeing you in August.
