Dear Rallyists,

GREETINGS FROM SOUTH AUSTRALIA

Please find attached further details of the 1987 South Australian Alvis Rally. The Rally programme is for your information - however some adjustments may need to be made due to unforeseen circumstances.

We would ask that you complete the group booking schedule and return to :

Mr J.D. Mitchell,

Cumberland Park. S.A. 5041

no later than 26 January 1987. All cheques, money orders etc to be made payable to the Sporting Car Club of S.A.

The Rally is being conducted under the auspices of this organization which results in several benefits including some measure of insurance protection.

A Rally pack including accommodation details, maps etc will be issued at Murray Bridge.

The entry list is now 40 vehicles which is most gratifying to the South Australian Organizers and we thank you for your support. We wish you a very Happy Christmas and a Prosperous New Year and look forward to renewing our friendship in 1987.

1987 ALVIS RALLY - SOUTH AUSTRALIA

FINAL NEWSLETTER

Just a final note before you leave for the Rally, with the latest information on the final list of entrants and an update of your rally programme.

There is however one possible point of confusion, through the mention in the last newsletter, of a BYO lunch at Murray Bridge on Monday 30 March. If you have ordered and paid for your lunch at Murray Bridge, it will certainly be there waiting for you as arranged and provided by the C.W.A. ladies. The lunch will include a cup of tea or coffee. If however you want any other 'refreshments', then that will be your responsibility, and that was the BYO referred to in the last newsletter. This same arrangement will also apply at Clare on Wednesday and Waikerie on Friday, and will also apply to the evening meals on Monday, Wednesday and Friday nights, although on Friday night the Golf Club bar should be open.
