ALVIS CAR CLUB (VICTORIA)

Welcome to the 1991 Australian National Rally
Welcome to all Alvis enthusiasts!

A bit of history first. The Alvis Interstate Rally was revived in 1970 with a rally to Narrandera - 26 Alvis attended, coming from New South Wales, South Australia and Victoria, plus one from New Zealand. This bi-ennial gathering of Alvis cars has gone from strength to strength over the ensuing 20 odd years with more Alvis cars and more fun and more enjoyment each time the event has been held.
Who can forget, for instance, the girls being locked in the Deniliquin R.S.L. Club after closing time with some lecherous Diggers?
Or who can forget the Fun Park at Morgan, South Australia? The event this year is the occasion of the First National Alvis Rally with entrants from Queensland, New South Wales, Victoria, South Australia and Western Australia with over 50 Alvis cars. We can't match the New Zealand entrant this year, but we are working on it.
So, welcome to all, come and drive your Alvis a little, renew old friendships and make new friends, yarn a little, admire the other cars (But think "mine is better"); and, most of all - enjoy yourselves.

President
Alvis Car Club (Vic.)

HISTORY OF 'KILLAMONT' HOMESTEAD

'Killamont' Homestead dates back to the early 1880's when the McNee family built a six room, red brick colonial cottage.

In 1896 James Finlay bought'Killamont' and set about enlarging the home to its present size of approximately 60 squares.

'Killamont' was purchased by Neville and Wendy Varcoe in 1980, after 80 years ownership by the Finlay family. Much of the home has undergone a complete restoration, returning it to its former glory.

Features of the home :

* Original wood stoves and bread ovens still occupy the kitchen.
* The billiard room houses the original, full size billiard table, complete with cues and its own iron for pressing the felt.
* Wallpapers used throughout the home are reproductions of the original, and colors used have been obtained from paint scrapings.
* The dressing table and washstand in the main bedroom along with the dining room mantlepiece, all have the Finlay family crest carved on them.
* Original leadlighting features throughout the homestead in doors and windows.
* Bathrooms have the original combined bath and shower screens.
* All antique furniture has been collected by its present owners.
* The bell system used to summon the maids can still be seen in the kitchen's back hall way.

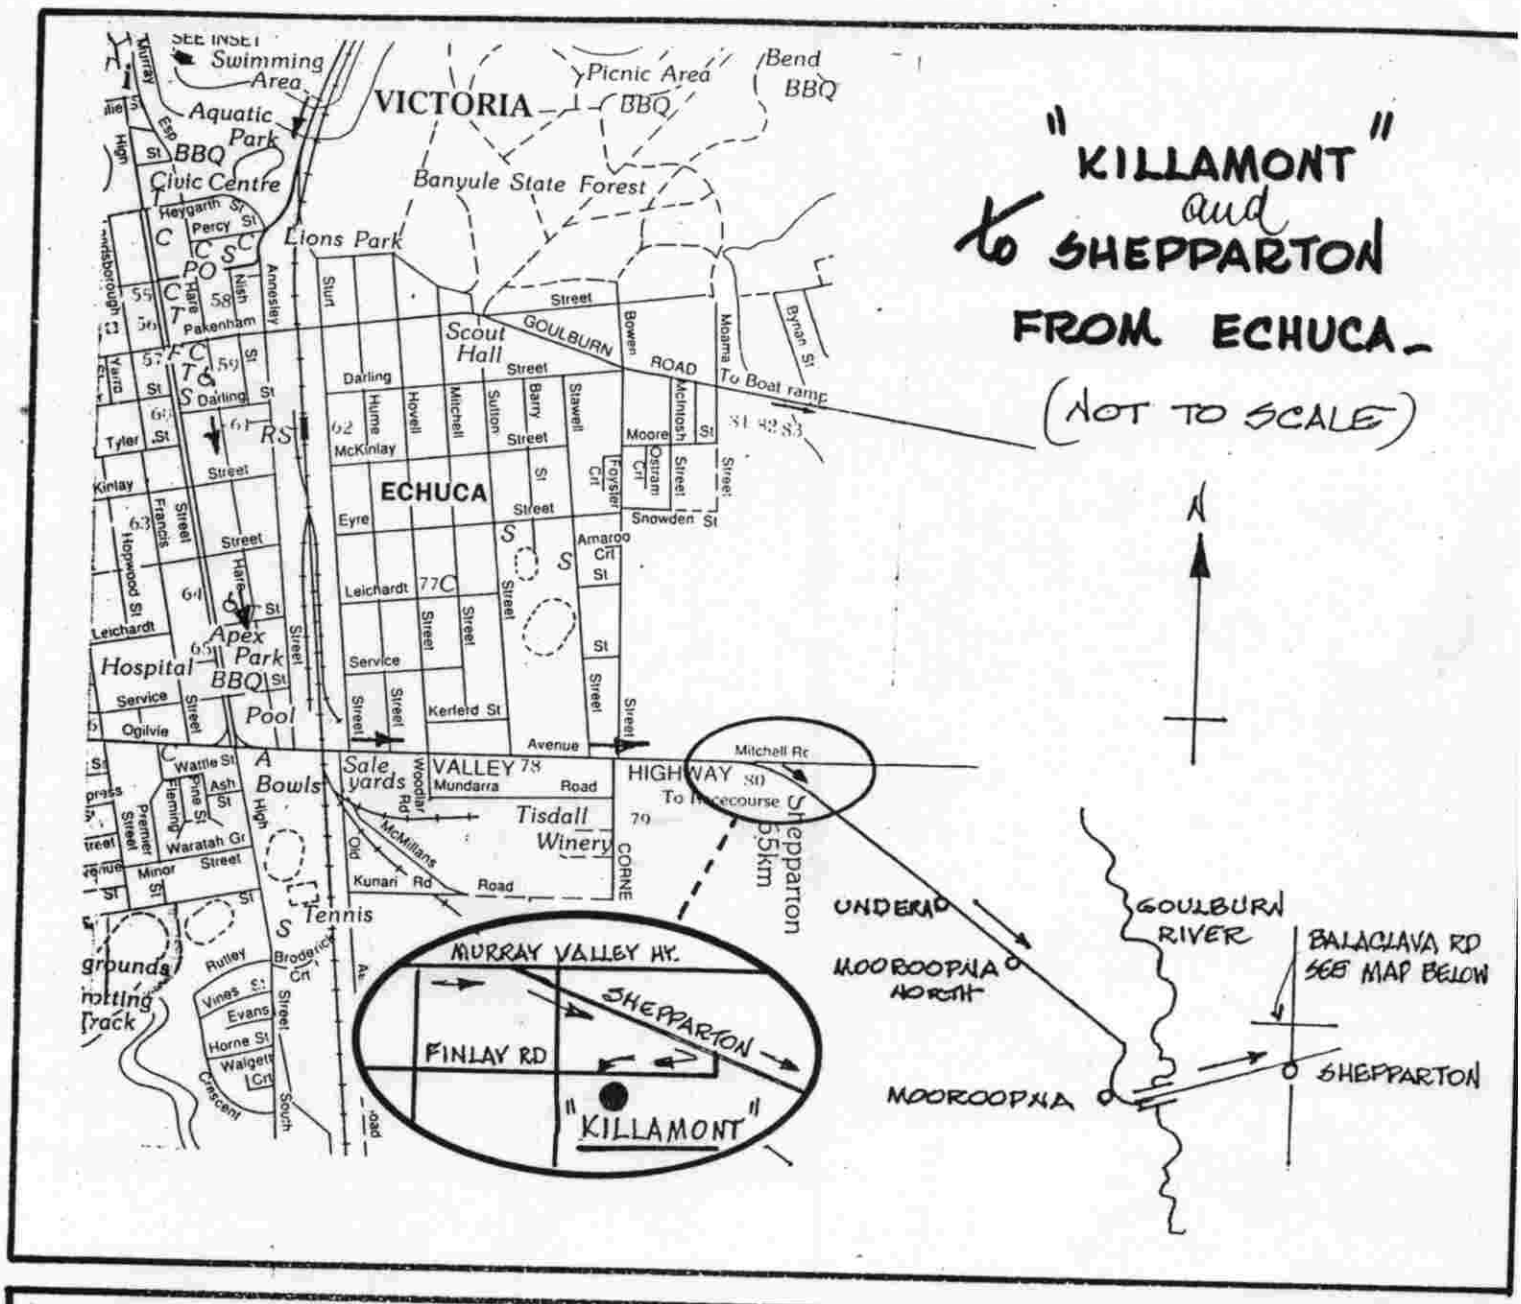

Outside interests :

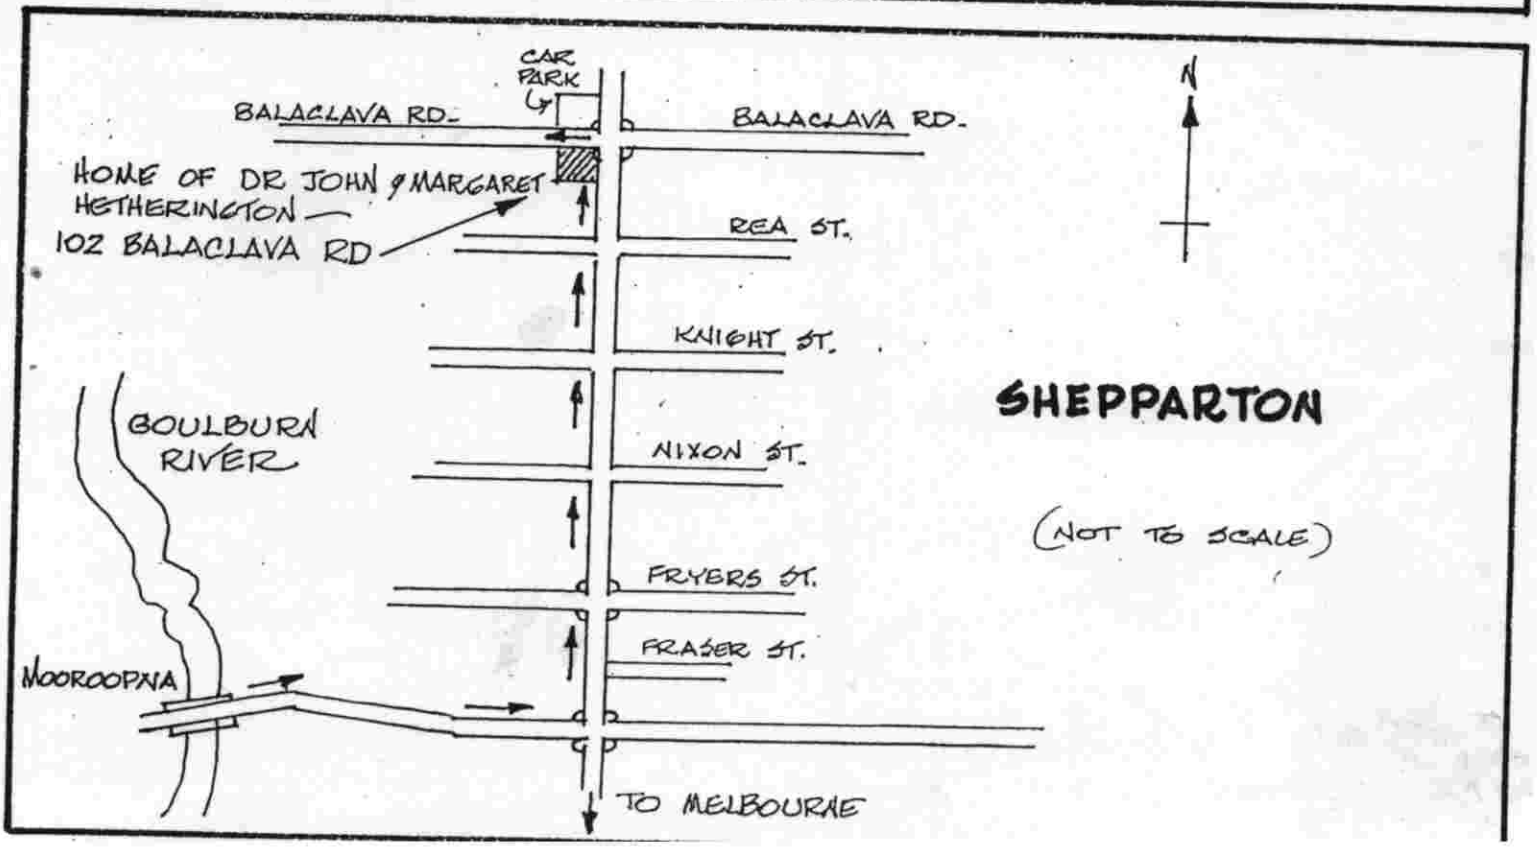

* 'Killamont' was designed for self sufficiency with cellar, a meat room and its own dairy, all near the house.
* The magnificent old world garden was designed by Charles Bogue Luffman. 'Killamont' garden being the only known surviving Luffman garden in Victoria, where wide shrubberies and curving paths are informally laid out.
* A variety of exotic fruit trees surround the private croquet lawn.

* * * * * *

As 'Killamont' is a private home we ask you to respect their privacy.

As guests you are asked not to handle items in the house or plants in the garden and smoking is prohibited.
